

THE PRESS RELEASE, REBUILT FOR AI

Give AI something *true* to say about you.

When people ask ChatGPT, Gemini, Perplexity or Google AI about your business, they get whatever AI can find. We publish your news as the clear, dated, structured source it can quote.

Answer-first summary
the sentence AI lifts first

1

Key facts
hard to misquote

3

Q&A
in the words customers ask AI

5

2 Cover image
your photos, or one made by AI

4 A quote with a real name
a human source AI can cite

6 Schema.org data
who said what, and when

24 AI-readiness features

Indexed the same day

llms.txt + clean text copy

AI crawlers welcome
